The lease does not contain any provision allowing for installment sale, lease-to-purchase, lease with option to purchase or similar arrangement wherein Lessee acquires any equity or interest in title to the vehicle.

4. The total dollar amount specified in the lease agreement to which this instrument is attached shall not be varied by any factor, cost of living clause, elevator clause, escalator clause or any other adjustment other than excess mileage charges.

Any payment made to Lessor for any period after the lease agreement has been terminated shall be refunded by Lessor to the Office of Finance without formal demand.

7. Any charges for default, early termination or cancellation of the lease agreement which results from actions taken by or on behalf of the Member are the personal responsibility of the Member.
